

SETTLEMENT AGREEMENT AND RELEASE

Plaintiff Brightk Consulting, Inc. (“Plaintiff” or the “Settlement Class Representative”), by and through its counsel, and Defendant BMW of North America, LLC (“BMW NA” or “Defendant”) by and through its counsel, hereby enter into this Settlement Agreement providing, subject to the approval of the Court, for the settlement of the claims herein described against Defendant (the “Settlement”) in the Action. BMW NA and Plaintiff are collectively referred to herein as the “Parties.”

WHEREAS, on December 16, 2021, Plaintiff filed a putative class action against Defendant in the United States District Court for the Central District of California captioned *Brightk Consulting, Inc. v. BMW of North America, LLC*, Case No. 21-CV-02063-CJC-JDE (the “Action”); and

WHEREAS, following commencement of the action and in connection with their mediation efforts, the Parties exchanged formal and informal discovery; and

WHEREAS, Plaintiff and Defendant have conducted a thorough examination and investigation of the facts and law relating to the matters in the Action; and

WHEREAS, on May 9, 2022 the parties participated in a full-day mediation with mediator Jed Melnick of JAMS and thereafter, continued their settlement dialogue directly and through the mediator, and participated in a second mediation on July 12, 2022; and

WHEREAS, after extensive, vigorous discussions and arm’s-length negotiations, and numerous exchanges of information and settlement proposals, the Parties were able to reach an agreement to resolve the Action and the disputes between them during the July 12, 2022 mediation; and

WHEREAS, the Parties stipulated to the filing of a First Amended Complaint that conforms the pleadings to this Settlement;

WHEREAS, for purposes of this settlement only, the Parties agree to the certification of a settlement class (“Class” or “Settlement Class”), as defined below; and

WHEREAS, Defendant expressly denies any wrongdoing alleged in the pleadings and does not admit or concede any actual or potential fault, wrongdoing, or liability in connection with any facts or claims that have been or could have been alleged against it in the Action. Even though Defendant expressly denies any wrongdoing, Defendant has concluded that settlement is desirable in order to avoid the time, expense, and inherent uncertainties of defending protracted litigation and to resolve, finally and completely, all pending and potential claims of the Plaintiff and all members of the Class which were or that could have been asserted by Plaintiff and the members of Class in the Action; and

WHEREAS, while Plaintiff firmly believes in the merits of its case, Plaintiff recognizes the substantial benefits to Plaintiff and the Class under the terms of this Settlement Agreement and the costs, risks, and uncertainty of protracted litigation, especially in complex actions such as this, as well as the difficulties and delays inherent in such litigation, and believes that it is in its interest, and the interest of all Class Members, to resolve the Action, and any and all claims asserted in the Action against Defendant, in order to provide effective relief promptly to Plaintiff and the Class in this Settlement Agreement; and

WHEREAS, the undersigned Parties believe that this Settlement Agreement offers significant benefits to Class Members and is fair, adequate, reasonable, and in the best interest of Class Members; and

WHEREAS, this Settlement Agreement is made and entered into by and among Plaintiff individually and on behalf of the Class, and Defendant;

NOW, THEREFORE, it is hereby stipulated and agreed, by and between the undersigned Parties, as follows:

SETTLEMENT TERMS.

3. **Warranty Coverage for Eligible Repairs after Mailing Date of Class Notice (Automatic Relief).** After the Mailing Date of the Class Notice, any Class Vehicle that requires an Eligible Repair will be repaired by a BMW Center free of charge during the Extended Warranty Period. No reimbursement is available for Out-of-Pocket Costs incurred for Eligible Repairs after the Mailing Date of Class Notice. To ensure continued customer satisfaction and in accordance with this Settlement, BMW NA will implement the Extended Warranty Period as soon as practicable by way of the Class Notice and will inform Class Members of warranty coverage available for Eligible Repairs.

4. **Reimbursement of Out-of-Pocket Costs Incurred Prior to Mailing Date of Class Notice (Claims Submission).** Class Members who have incurred Out-of-Pocket Costs may

file a Claim for reimbursement up to one hundred twenty (120) days after the Mailing Date of the Class Notice or up until the Court issues its order on final approval of the settlement, whichever is earlier. Approved claims will be paid on a rolling basis within sixty (60) days after the Settlement's Effective Date and approval of the Claim.

5. **Required Proof.** To receive reimbursement on a Claim for an Out-of-Pocket Cost under Paragraph 4, Settlement Class Members must submit a Claim Form to the Claims Administrator that is post-marked during the Claims Submission Period or submitted through the online portal during the Claims Submission Period and includes:

A. a legible repair order from a BMW Center that identifies a Settlement Class Vehicle and VIN;

B. proof of payment, in the form of a canceled check, credit-card receipt, credit-card statement, or receipt demonstrating that the Settlement Class Member paid for the amount(s) sought for reimbursement (a repair order that itself denotes a payment by check or credit card that is issued from a BMW Center is sufficient proof of payment);

C. the mileage of the Settlement Class Vehicle at the time of Eligible Repair;

D. the date of the Eligible Repair, and

E. a description of the Eligible Repair performed with indications as to the parts and labor for the repair.

Reimbursement amounts will be reduced by goodwill or other adjustment, coupon, refund, or payment made by an authorized BMW Center, BMW NA, any person or entity associated with BMW NA, an insurer, or a provider of an extended service contract.

Claim Review and Processing, Claim Validation, and Appeal from Denial.

6. Claim Review and Processing. All Claims properly submitted for reimbursement will be reviewed on a rolling basis upon receipt by the Claims Administrator, which will be responsible for conditionally approving the claim by ensuring that all information and documentation required under this Settlement Agreement has been submitted and otherwise qualifies as an Eligible Repair. Thus, as part of its Claims review responsibilities, the Claims Administrator will be responsible for making sure (1) the Claim relates to a Class Vehicle, (2) the VIN number associated with the Claim matches the Settlement Class Member vehicle's VIN number, (3) the Claim is for an Eligible Repair; (4) the Claim is not for a vehicle excluded from the Settlement Class; and (5) the Claim has not been submitted by someone excluded from the Settlement Class under the definition of Settlement Class Member (paragraph 1(II) herein). The Claims Administrator will submit those properly supported and conditionally approved claims to BMW NA for the Claim Validation Process, pursuant to paragraph 8, below.

7. Deficient Claims: Any Settlement Class Member whose claim is deemed deficient will receive from the Claims Administrator by first-class mail, postmarked within thirty (30) days of the determination that the claim is deficient, a written explanation stating the reason(s) the claim was deemed deficient, including steps the Settlement Class Member can take to cure the deficiencies, if possible. The Settlement Class Member receiving such notice will be allowed thirty (30) days from mailing to cure the deficiency if possible. If the Settlement Class Member does not provide the materials identified in the Claims Administrator's letter or fails to respond to the Claims Administrator's letter within the allotted time, the claim will no longer be eligible for reimbursement or appeal.

8. Claim Validation Process: After Claim Review and Processing, the Claims Administrator will calculate the amount due to each Settlement Class Member for all claims approved as complying with the requirements of this Settlement Agreement. The Claims Administrator will, on a weekly rolling basis, submit those conditionally approved claims to Defendant for the Claim Validation Process to determine if there is any reason to believe that a claim is fraudulent or otherwise invalid. Within a rolling forty-five (45) days basis of Defendant's receipt from the Claims Administrator of the conditionally approved claims, Defendant may object to the approval of the claim based on evidence that:

A. the vehicle's warranty was voided because (i) the VIN has been altered or cannot be read; (ii) the vehicle was purchased from a salvage yard/junkyard/recycler, was declared a total loss, was sold for salvage purposes, or had a "salvage" title before an Eligible Repair; (iii) or the odometer of the vehicle was tampered with or the true mileage of the vehicle is unknown;

B. the VIN associated with the Claim does not match the Settlement Class Member's vehicle's VIN;

C. the Claim is for an item or service that is not an Eligible Repair covered under this Settlement Agreement;

D. the Claim is for a vehicle excluded from the Settlement Class;

E. the Claim has already been made and paid (i.e., a duplicate claim);

F. the Claim is submitted by someone excluded from the Settlement Class;

G. the Claim is fraudulently submitted; or

H. the Settlement Class Member has received "goodwill" or other cost/price adjustment, coupon, reimbursement, or refund from BMW NA, a BMW Center, any person or

entity associated with Defendant, an insurer, or a provider of an extended service contract, in which case that amount will be applied against the amount of the claim submitted.

9. Denied Claims: Any Settlement Class Member whose claim is denied, in whole or in part, will receive from the Claims Administrator by first-class mail a written explanation stating the reason(s) for the denial. The Claims Administrator's letter will also inform Settlement Class Members that they may appeal from a denial only if they have a basis to do so and have timely submitted all required documentation in support of an eligible claim by submitting an appeal in writing to the Claims Administrator within thirty (30) days of mailing of the notice of denial.

10. Appeals from Claim Denial. Settlement Class Members must appeal in writing, if they have a basis to do so, to the Claims Administrator within thirty (30) days of mailing of the notice of the denial, setting forth in detail why the Settlement Class Member believes his or her Claim should have been approved. On appeal, Settlement Class Members may not submit additional documents beyond those they submitted to the Claims Administrator in connection with their Claim. The Claims Administrator will maintain a file of all timely-submitted appeals from claim denials.

11. Thirty (30) days after the Claims Administrator sends the last claim denial letter, the Claims Administrator will provide Settlement Class Counsel and Defendant's Counsel with a list of all timely-submitted appeals and all documents related to such Settlement Class Members' appeals.

12. Settlement Class Counsel and Defendant's Counsel will review all timely filed appeals within thirty (30) days after receipt of the Claims Administrator's list of all timely-submitted appeals and all documents related to such Settlement Class Members' appeals. The

Parties will conduct only one such review session, it being the intention of the Parties to resolve all appeals expeditiously, in good faith, and at one time.

13. If the Parties cannot agree on whether a timely-submitted appeal should be granted, the Parties agree to submit the claim for review to a third-party neutral, who will make the final and binding decision regarding the claim. Each party will bear its own costs in connection with such appeals.

14. Exclusions From Right to Appeal. Claims that were denied for failing to submit all required documentation in support of an eligible claim, either with the initial submission or within the additional time period after being notified of a deficiency by the Claims Administrator, or for Claims seeking reimbursement for an item or service that is not covered under this Settlement Agreement, or for Claims seeking reimbursement for an expense that was incurred after the Mailing Date of the Class Notice, are not eligible for appeal.

15. Claim Payment: Starting sixty (60) days after the Effective Date, the Claims Administrator will issue checks on a rolling basis for approved and validated Claims.

NOTIFICATION TO CLASS MEMBERS.

16. Unless otherwise specified, Defendant will pay all costs related to the following notice program which, subject to the Court approving the same, will commence within ninety (90) days after entry of the Preliminary Approval Order, as follows:

A. BMW will email the Class Notice to Settlement Class Members whose email address is known to BMW through its customer databases. Where an email address is not available, or in jurisdictions where the warranty extension notice laws or statutes require mailed notice, the Class Notice will be sent by first class mail. In the case of email or mailed notice, the Class Notice will be sent to both current and former owners and lessees of the Class Vehicles whose names and contact information are within BMW NA's customer database or can be obtained

through a third party DMV information service provider or other available sources if BMW does not have such Class Members' contact information. Where updated contact information is required for Class Members, Defendant will retain a third party to obtain mailing addresses from the applicable state motor vehicle agencies' registration databases or other available sources. The Claims Administrator or the DMV records provider will use current U.S. Postal Service software and the National Change of Address database to update the address records so that Settlement Class Members' most recent addresses will be used. If a Settlement Class Notice is returned to the Claims Administrator by the U.S. Postal Service because the address of the recipient is no longer valid, and the envelope contains a forwarding address, the Claims Administrator will re-send the Settlement Class Notice to the forwarding address within seven (7) days of receiving the returned Settlement Class Notice.

B. Within forty-five (45) days after entry of the Preliminary Approval Order, the Claims Administrator will be responsible for, without limitation: (a) establishing, maintaining, and administering a toll-free telephone number dedicated to the Settlement which will provide recorded information about the Settlement and (b) establishing and maintaining a website dedicated to the Settlement which (i) will provide information about the Settlement and all relevant documents, including the Claim Form available for download; (ii) an email address for Class Members to ask the Claims Administrator questions; and (iii) will provide an online claims submission portal and instructions on how Settlement Class Members may submit their claims by U.S. Mail or via an online submission portal. The website and toll-free telephone number will remain available until all claims decisions by the Claims Administrator and payment to claimants have been made.

C. Within ninety (90) days of the Preliminary Approval Order, the Claims Administrator will disseminate the Settlement Class Notice to the Settlement Class as specified in the Preliminary Approval Order, and in compliance with all applicable laws, including, but not limited to, the Due Process Clause of the Constitution.

D. All costs associated with Settlement Administration will be paid by Defendant. BMW NA, however, will not pay for notice costs other than those specifically listed herein. Any costs incurred by Class Counsel to publish the class notice or other information on their own websites, or any other website and/or publication will not be paid by BMW NA. Postings by Class Counsel (if any) relating to the Settlement will be limited to the same information contained in the Class Notice.

E. Contents of the Settlement Class Notice: The Settlement Class Notice, in a form substantially similar to the one attached to the Settlement Agreement as Exhibit “A,” will advise Class Members of the following:

i. General Terms: The Settlement Class Notice will contain a plain and concise description of the nature of the Action, the history of the Action, the preliminary certification of the Settlement Class, and the proposed Settlement, including information on the identity of Settlement Class Members, how the proposed Settlement would provide relief to the Settlement Class Members, what claims are released under the proposed Settlement, and other relevant terms and conditions.

v. Claim Form: The Settlement Class Notice will include the Claim Form, in a form substantially similar to the one attached to the Settlement Agreement as Exhibit "B," which will inform the Settlement Class Member that he/she must fully complete and timely return the Claim Form and supporting documents within the Claim Period to be eligible to obtain a recovery.

vi. Media Inquiries: If the media contacts any Party, that Party may respond to the inquiry by directing the media to the Settlement website and by stating that the parties engaged in arm's length negotiations through a respected mediator and agreed to a fair, adequate, and reasonable class settlement on a disputed claim that provides substantial class benefits. A party may also explain the claim and the settlement terms.

REQUESTS FOR EXCLUSION BY SETTLEMENT CLASS MEMBERS.

17. The provisions of this paragraph will apply to any Request for Exclusion. Any Settlement Class Member may make a Request for Exclusion by mailing or delivering such request in writing to the Claims Administrator. Any Request for Exclusion must be postmarked and

19. Any Settlement Class Member who has not filed a timely written Request for Exclusion and who wishes to object to the fairness, adequacy, or reasonableness of this Settlement Agreement or the Settlement, or to the requested Settlement Class Counsel Fees and Expenses, or Settlement Class Representative Service Payment, must file with the Clerk of the Court a written notice of objection by the Objection Deadline. To state a valid objection to the Settlement, an objecting Settlement Class Member must provide the following information in the Settlement Class Member's written objection: (1) his/her full name, current address, and current telephone number; (2) the model year and model of his/her Class Vehicle(s), as well as the VIN of his/her Class Vehicle(s) and the date(s) of purchase or lease; (3) a statement of the position(s) the objector wishes to assert, including the factual and legal grounds for the position; (4) a statement as to whether the objector intends to appear to be heard at the Final Approval Hearing, and (5) any other documents that the objector wishes to submit in support of his/her position.

20. To be valid, an objection must include a detailed statement of each objection asserted, including the grounds for each objection. In addition, any Settlement Class Member

objecting to the Settlement must provide a detailed statement of any objections to any other class action settlements submitted in any court, whether state, federal, or otherwise, in the United States in the previous five (5) years. Upon the filing of an objection, of their own choosing, Settlement Class Counsel may take the deposition of the objecting Settlement Class Member pursuant to the Federal Rules of Civil Procedure at an agreed-upon time and location, and to obtain any evidence relevant to the objection. Failure by an objector to make himself or herself available for deposition or comply with expedited discovery may result in the Court striking the objection. The Court may tax the costs of any such discovery to the objector or the objector's counsel if the Court determines that the objection is frivolous or is made for an improper purpose.

21. Finally, subject to approval of the Court, any objecting Settlement Class Member may appear, in person or by counsel, at the Final Approval Hearing held by the Court, to show cause why the proposed Settlement should not be approved as fair, adequate, and reasonable, or object to the requested Settlement Class Counsel Fees and Expenses or Settlement Class Representative Service Payment. The objecting Settlement Class Member must file with the Clerk of the Court and serve upon all counsel designated in the Settlement Class Notice a Notice of Intention to Appear by the Objection Deadline or on such other date that may be set forth in the Settlement Class Notice. The Notice of Intention to Appear must include copies of any papers, exhibits, or other evidence that the objecting Settlement Class Member (or his/her counsel) will present to the Court in connection with the Final Approval Hearing. Any Settlement Class Member who does not provide a Notice of Intention to Appear in complete accordance with the deadlines and other specifications set forth in the Settlement Class Notice, and who has not filed an objection in complete accordance with the deadlines and other specifications set forth in this Settlement and

the Settlement Class Notice, may be deemed to have waived any objections to the Settlement and will be barred from speaking or otherwise presenting any views at the Final Approval Hearing.

22. The agreed-upon procedures and requirements for filing objections in connection with the Final Approval Hearing are intended to ensure the efficient administration of justice and the orderly presentation of any Settlement Class Member's objection to the Settlement, in accordance with such Settlement Class Member's due process rights.

23. The Preliminary Approval Order and Settlement Class Notice will require all Settlement Class Members who have any objections to submit such notice of objection or request to be heard with the Court, and serve by mail or hand delivery such notice of objection or request to be heard upon the Claims Administrator at the addresses set forth in the Settlement Class Notice, by no later than the Objection Deadline.

24. The Preliminary Approval Order will further provide that objectors who fail properly and/or timely to file their objections with the Court, along with the required information and documentation set forth above, or to serve them as provided above, will not be heard during the Final Approval Hearing, and their objections will be waived and will not be considered by the Court.

25. Settlement Class Counsel will be responsible for addressing all objections and any appeals from the Final Approval Order.

26. Any Settlement Class Member who objects to the Settlement will be entitled to all of the benefits of the Settlement if this Settlement Agreement and the terms contained herein are approved, as long as the objecting Settlement Class Member complies with all the requirements of this Settlement Agreement applicable to Settlement Class Members.

RELEASE, DISMISSAL OF ACTION, AND JURISDICTION OF COURT.

27. The Parties agree to the following release and waiver, which will take effect upon the Effective Date:

A. By this Settlement Agreement and the following Release, the released parties include BMW NA and its direct and indirect parents, subsidiaries, affiliates, successors in interest, officers, directors, agents, authorized BMW dealers, attorneys, and all other persons or entities acting on their behalf; suppliers, licensors, licensees, distributors, assemblers, partners, component part designers, manufacturers, holding companies, joint ventures, and any individuals or entities involved in the chain of design, development, testing, manufacture, sale, assembly, distribution, marketing, advertising, financing, warranting, repair, and maintenance of the Settlement Class Vehicles and their component parts (together “Released Parties”). The released claims refer to any and all claims, including demands, rights, liabilities, and causes of action, of every nature and description that were asserted or could have been asserted in this action, which relate to or arises out of complaints or concerns that led to or may lead to an Eligible Repair, excluding claims for property damage or personal injury (“Released Claims”). Upon the effective date of settlement, the representative class plaintiffs and Settlement Class Members shall each and do hereby forever release, discharge, waive, and covenant not to sue the Released Parties regarding any and all of the Released Claims. This release includes any such claims that the Settlement Class Representative and Settlement Class Members do not know of or suspect to exist in their favor at the time of this release and that, if known by them, might have affected their settlement and release of the Released Parties, or might have affected their decision not to object to this agreement. The foregoing waiver includes without limitation an express waiver, to the fullest extent permitted by California law, and any and all other state laws, including of any and all rights conferred by section 1542 of the *California Civil Code*, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The foregoing waiver also includes without limitation an express waiver, to the fullest extent permitted by law, of any and all rights under any law of any state or territory of the United States, including the District of Columbia, and any federal law or principle of common law or equity, or of international foreign law, that is comparable to section 1542 of the *California Civil Code*. The representative class plaintiffs and Settlement Class Members recognize that even if they later discover facts in addition to or different from those they know or believe to be true, they nevertheless agree that upon entry of the final approval order and judgment, the Settlement Class Representative and Settlement Class Members fully, finally, and forever settle and release any and all of the Released Claims. The foregoing waiver and release was bargained for and is a material element of this Settlement Agreement.

B. The Settlement Class Representative represents and warrants that it is the sole and exclusive owner of the claims it has asserted and is releasing under this Settlement Agreement. The Settlement Class Representative further acknowledges that it has not assigned, pledged, or in any manner whatsoever sold, transferred, assigned, or encumbered any right, title, interest, or claim arising out of or in any way whatsoever pertaining to the Action, including, without limitation, any claim for benefits, proceeds, or value under the Action, and that the Settlement Class Representative is not aware of anyone other than itself claiming any interest, in whole or in part, in the Action or in any benefits, proceeds, or values under the Action.

C. The Settlement Class Representative further represents that, as of the date of this agreement, it is not aware of any Settlement Class Members who have filed claims or actions for the relief sought in this Action, other than the Settlement Class Representative.

D. Without in any way limiting its scope, this Release encompasses, by example and without limitation, any and all claims for attorneys' fees, costs, expert fees, consultant fees, interest, litigation fees, costs, or any other fees, costs, and/or disbursements incurred by Settlement Class Counsel or by Plaintiff, except to the extent otherwise specified in the Settlement Agreement.

E. The Settlement Class Representative expressly agrees that this Release will be and may be raised as a complete defense to and will preclude any action or proceeding relating to the Released Claims.

F. This Settlement Agreement and Release does not affect the rights of Settlement Class Members who timely and properly request exclusion from (opt-out of) the Settlement.

G. The administration and consummation of the Settlement as embodied in this Settlement Agreement will be under the authority of the Court. The Court will retain jurisdiction to protect, preserve, and implement the Settlement Agreement including, but not limited to, the Release. The Court expressly retains jurisdiction to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Settlement Agreement.

H. Upon the Effective Date: (1) the Settlement Agreement will be the exclusive remedy for any and all Settlement Class Members for Released Claims, except those who have properly requested exclusion from (opted out of) the Settlement in accordance with the terms and provisions hereof; (2) the Defendant will not be subject to liability or expense of any kind to any Settlement Class Member(s) for Released Claims except as set forth herein; and (3) Settlement Class Members will be permanently barred from initiating, asserting, or prosecuting any and all

Released Claims against Defendant in any federal or state court in the United States or any other tribunal.

I. Nothing in this Release will preclude any action to enforce the terms of the Settlement Agreement, including participation in any of the processes detailed herein.

ATTORNEYS' FEES AND EXPENSES AND SERVICE PAYMENTS.

28. All expenses incurred in administering this Settlement Agreement, including, without limitation, all attorneys' fees and costs, the cost of the Settlement Class Notice, and the cost of distributing and administering the benefits of the Settlement Agreement, will be paid by Defendant, subject to the terms and limitations contained herein. The Settlement Class Counsel Fees and Expenses, and Settlement Class Representative Service Payment, if any, will be paid separate and apart from any relief provided to the Settlement Class.

29. As part of the resolution of the Action, the Parties have agreed that Settlement Class Counsel may apply for an award of attorneys' fees, inclusive of costs and expenses, not to exceed \$375,000.00, and a single Settlement Class Representative Service Payment of \$3,000.00. The Parties have further agreed that Settlement Class Counsel shall not seek payment of any amount for any fees, costs and expenses in excess of \$375,000.00 if awarded by the Court. The Settlement Class Counsel Fees and Expenses will be paid separate and apart from any relief provided to the Settlement Class. Defendant does not oppose, and will not encourage or assist any third party in opposing, Settlement Class Counsel's request for attorneys' fees, costs and expenses up to and not exceeding \$375,000.00, nor will Defendant contest the reasonableness of the amounts requested under this Agreement.

30. Also as part of the resolution of the Action, the Parties have agreed that Settlement Class Counsel will seek a Settlement Class Representative Service Payment not to exceed \$3,000.00, to be paid separate and apart from any relief provided to the Settlement Class.

Settlement Class Counsel will apply to the Court for an award to the Settlement Class Representative for its effort, service, time, and expenses in connection with pursuing the case. Defendant does not oppose, and will not encourage or assist any third party in opposing, Settlement Class Counsel's request for a Settlement Class Representative Service Payment up to and not exceeding \$3,000.00, nor will Defendant contest the reasonableness of the amounts requested under this Agreement.

31. As agreed upon herein, the total amount of Settlement Class Counsel Fees, Expenses and Settlement Class Representative Service Payment awarded by the Court, subject to Settlement Class Counsel's and Defendant's maximum agreed-upon amount, will be paid by wire transfer by BMW NA within thirty (30) days after the Effective Date of this Settlement. Defendant will not be liable for or obligated to pay any fees, expenses, costs, or disbursements to, or incur any expense on behalf of, any person or entity, either directly or indirectly, in connection with this Action, this Settlement Agreement, or the proposed Settlement, other than the amount or amounts expressly provided for in this Settlement Agreement.

32. Defendant is not responsible for any of Settlement Class Counsel's attorneys' fees and/or internal costs for the settlement, including, but not limited to, any investigative, expert, and/or actuarial costs, or any other claims for fees or expenses incurred or that may be incurred in the future in connection with obtaining final approval of this Settlement (including an appeal from the Final Approval Order, if any), other than the attorneys' fees and expenses awarded by the Court pursuant to this Agreement.

REPRESENTATIONS, WARRANTIES, AND COVENANTS.

33. Settlement Class Counsel, who are signatories hereof, represent and warrant that they have the authority, on behalf of Plaintiff and Settlement Class Counsel, to execute, deliver, and perform this Settlement Agreement and to consummate all of the transactions contemplated

hereby. This Settlement Agreement has been duly and validly executed and delivered by Settlement Class Counsel and Plaintiff and constitutes their legal, valid, and binding obligation.

34. Defendant, through its undersigned attorneys, represent and warrant it has the authority to execute, deliver, and perform this Settlement Agreement and to consummate the transactions contemplated hereby. The execution, delivery, and performance by Defendant of this Settlement Agreement and the consummation by it of the actions contemplated hereby have been duly authorized by all necessary corporate action on the part of Defendant. This Settlement Agreement has been duly and validly executed and delivered by Defendant and constitutes its legal, valid, and binding obligation.

MISCELLANEOUS PROVISIONS.

35. The Parties expressly acknowledge and agree that this Settlement Agreement and the exhibits and related documents thereto along with all related drafts, motions, pleadings, conversations, negotiations, and correspondence, constitute an offer of compromise and a compromise within the meaning of Federal Rule of Evidence 408 and any equivalent rule of evidence in any state. In no event will this Settlement Agreement, any of its provisions, or any negotiations, statements, or court proceedings relating to its provisions in any way be construed as, offered as, received as, used as, or deemed to be evidence of any kind in the Action, any other action, or in any judicial, administrative, regulatory, or other proceedings, except in a proceeding to enforce this Settlement Agreement or the rights of the Parties or their counsel.

36. Without limiting the foregoing, this Settlement Agreement, the exhibits thereto, any related documents, any related negotiations, statements, or court proceedings will not be construed as, offered as, received as, used as, or deemed to be evidence or an admission or concession of any liability, wrongdoing, fault, or omission of any kind whatsoever by Defendant with respect to any alleged wrongdoing, fault, or omission of any kind whatsoever, regardless of whether or not this

Settlement Agreement results in entry of a Final Approval Order as contemplated herein. Defendant specifically denies all of the allegations made in connection with the Action. Neither this Settlement Agreement nor any class certification pursuant to it will constitute, in this or in any other proceeding, an admission by the Defendant, or evidence or a finding of any kind, that any requirement for class certification is satisfied with respect to the Action, or any other litigation, except for the limited purpose of settlement pursuant to this Settlement Agreement. This Settlement Agreement also is made with the Parties' understanding and agreement that (1) under applicable laws, it is appropriate that a class be certified for settlement purposes only (*i.e.*, without needing to satisfy fully the standard required for certification of the matter for litigation purposes); (2) Defendant contests and denies that any class, including the proposed Settlement Class, is suitable for certification as a class under the law of any jurisdiction, other than for the purposes of this Settlement Agreement; and (3) notwithstanding any other provisions of this Settlement Agreement, all actions and proceedings pursuant to it will be consistent with the foregoing. This provision will survive the expiration or voiding of the Settlement Agreement.

37. This Settlement Agreement is entered into only for purposes of settlement. If the Final Approval Order is not entered, then this Settlement Agreement, including any releases or dismissals hereunder, is canceled, and no term or condition of this Settlement Agreement, or any draft thereof, or of the discussion, negotiation, documentation or other part or aspect of the Parties' settlement discussions, will have any effect, nor will any such matter be admissible in evidence for any purpose, or used for any purposes whatsoever in the Action, and all Parties will be restored to their prior rights and positions as if the Settlement Agreement had not been entered into.

38. This Settlement Agreement will terminate by decision of either the Defendant or the Plaintiff, through Settlement Class Counsel, if: (1) the Court, or any appellate court(s), rejects,

modifies, or denies approval of any portion of this Settlement Agreement or the proposed Settlement that the terminating Party reasonably determines(s) is material, including without limitation, the terms of relief, the findings or conclusions of the Court, the provisions relating to notice, the definition of the Class, or the terms of the Release; (2) the Court, or any appellate court, does not enter or completely affirm, or alters or expands, any portion of the Final Approval Order, or any of the Court's findings of fact or conclusions of law, that the terminating Party reasonably determine(s) is material; or (3) more than two percent (2%) of Class Members exclude themselves from (opt out of) the Settlement. The terminating Party must exercise the option to withdraw from and terminate this Settlement Agreement, as provided in this paragraph, no later than twenty (20) days after receiving notice of the event prompting the termination. In such event, the Parties will be returned to the positions that they occupied as of the date of this Settlement, as reflected in the signature boxes below.

39. Further, Defendant may unilaterally withdraw from and terminate this Settlement Agreement within twenty (20) days after receiving notice of either of the following events:

A. any state attorney general, federal agency, or regulatory or administrative authority institutes a proceeding against the Defendant arising out of or otherwise related to the Release and any of the terms or conditions of this Settlement Agreement; or

B. any federal or state regulator or agency: (a) objects either to any aspect or term of the Settlement Agreement and (b) requires any substantial modification to the Settlement Agreement, including, without limitation, a constriction or expansion of the scope of the contemplated relief that Defendant, in its sole discretion, deems reasonably material.

40. If this Settlement Agreement is terminated pursuant to paragraphs 38 or 39 herein, then:

A. This Settlement Agreement will be null and void and will have no force or effect and no Party to this Settlement Agreement will be bound by any of its terms;

B. The Parties will petition to have lifted any stay orders entered pursuant to this Agreement;

C. All of the provisions, and all negotiations, statements, and proceedings relating to it, will be without prejudice to the rights of Defendant, Plaintiff, or any Settlement Class Member, all of whom will be restored to their respective positions they occupied as of the date of this Settlement, as reflected in the signature boxes below, except that the Parties will cooperate in requesting that the Court set a new scheduling order such that no Parties' substantive or procedural rights are prejudiced by the attempted settlement;

D. Defendant expressly and affirmatively reserves all defenses, arguments, and motions as to all claims that have been or might later be asserted in the Action, including, without limitation, the argument that this Action may not be litigated as a class action;

E. Neither this Settlement Agreement, nor the fact of its having been made, nor the negotiations leading to it, nor any discovery or action taken by a Party or Settlement Class Member pursuant to this Settlement Agreement, will be admissible or entered into evidence for any purpose whatsoever;

F. Any Settlement-related order(s) or judgment(s) entered in this Action after the date of execution of this Agreement will be deemed vacated and will be without any force or effect;

G. Settlement Class Members, Plaintiffs, and Settlement Class Counsel shall not in any way be responsible or liable for any Settlement Administration expenses or taxes, including costs of notice and administration associated with this Settlement or this Agreement,

except that each Party shall bear its own attorneys' fees and costs and Defendant's future payment obligations shall cease; and

H. Defendant shall have no further obligations to pay Settlement Class Members, Plaintiff, or Settlement Class Counsel under the terms of this Settlement set forth in this Agreement and shall be responsible for only the Settlement Administration expenses and taxes actually incurred, for which Plaintiff and Settlement Class Counsel are not liable.

41. The headings of the sections and paragraphs of this Settlement Agreement are included for convenience only and will not be deemed to constitute part of this Settlement Agreement or to affect its construction.

42. This Settlement Agreement, including all exhibits attached hereto, may not be modified or amended except in writing and signed by all of the Parties and with approval of the Court.

43. This Settlement Agreement may be executed in one or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same instrument. Signatures may be obtained electronically via DocuSign, AdobeSign or similar service.

44. This Settlement Agreement and any amendments thereto will be governed by and construed in accordance with the substantive laws of the State of California. The Settlement Agreement will be interpreted and enforced pursuant to California law. Federal law (including Fed. R. Civ. P. 23 and federal case law) will govern approval of the settlement, preliminary and final certification of the Settlement Class, and all related issues such as Class Counsel's motion for attorneys' fees and expenses.

45. Any disagreement or action to enforce this Settlement Agreement will be commenced and maintained only in the Court in which this Action is pending.

46. Except as otherwise provided in this Settlement Agreement, each Party to this Settlement Agreement will bear his, her, or its own costs of the Action.

47. The Parties to this Settlement Agreement reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extensions of time that may be necessary to carry out any of the provisions of this Settlement Agreement, as well as to correct any inadvertent, mistakes, clerical errors, or typographical errors contained in any of the Settlement papers, without additional costs or attorneys' fees.

48. Proper notice will be given to Plaintiff and Defendant of all applications for Court approval or Court orders required under this Settlement Agreement.

49. The determination of the terms of, and the drafting of, this Settlement Agreement, including its exhibits, has been by mutual agreement after negotiation, with consideration by and participation of all Parties and their counsel. Since this Settlement Agreement was drafted with the participation of all Parties and their counsel, the presumption that ambiguities will be construed against the drafter does not apply. Each of the Parties was represented by competent and effective counsel throughout the course of settlement negotiations and in the drafting and execution of this Settlement Agreement, and there was no disparity in bargaining power among the Parties to this Settlement Agreement. No parol or other evidence may be offered to explain, modify, construe, contradict, or clarify its terms, the intent of the Parties or their counsel, or the circumstances under which this Settlement Agreement was made or executed.

50. All of the exhibits to this Settlement Agreement are material and integral parts hereof, and are fully incorporated herein by reference. This Settlement Agreement and the exhibits

hereto constitute the entire, fully integrated agreement among the Parties and cancel and supersede all prior written and unwritten agreements and understandings pertaining to the Settlement of the Actions.

51. The Parties agree that any disputes regarding the meaning of the terms and conditions of this Settlement Agreement, the Parties' rights and obligations under this Settlement Agreement, or the manner in which any issue or dispute arising under this Settlement Agreement should be resolved, will be submitted to the Court for resolution.

52. The Parties agree and acknowledge that this Settlement Agreement includes a covenant of good faith and fair dealing.

53. The waiver by one Party of any breach of this Settlement Agreement by another Party will not be deemed a waiver of any prior or subsequent breach of this Settlement Agreement.

54. If one Party to this Settlement Agreement considers another Party to be in breach of its obligations under this Settlement Agreement, that Party must provide the breaching Party with written notice of the alleged breach within ten (10) days of discovery of the breach and provide a reasonable opportunity to cure the breach before taking any action to enforce any rights under this Settlement Agreement.

55. All time periods set forth herein will be computed in calendar days unless otherwise expressly provided. In computing any period of time prescribed or allowed by this Settlement Agreement or by order of the Court, the day of the act, event, or default from which the designated period of time begins to run will not be included. The last day of the period so computed will be included, unless it is a Saturday, Sunday, or legal holiday, or, when the action to be done is the filing of a paper in court, a day on which conditions or events have made the office of the clerk of the court inaccessible, in which event the period will run until the end of the next day that is not

one of the aforementioned days. As used in this section “legal holiday” includes New Year’s Day, Birthday of Martin Luther King, Jr., Presidents’ Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans’ Day, Thanksgiving Day, Christmas Day, and any other day appointed as a holiday by the President or the Congress of the United States.

56. All notices to the Parties or counsel required by this Settlement Agreement will be made in writing and communicated by electronic and regular mail to the following addresses (unless one of the Parties subsequently designates one or more other designees):

- ❖ There is a proposed settlement in a class action lawsuit against BMW of North America, LLC (“BMW NA”). This lawsuit alleges that the front cupholders in BMW X5 (2019-2022) (G05), BMW X5M (2020-2022) (F95), BMW X6 (2020-2022) (G06), BMW X6M (2020-2022) (F96), or BMW X7 (2019-2022) (G07) vehicles (together “**Class Vehicles**”) are permeable to spilled liquids. Thus, Plaintiff claims that if liquid spills from cups in or around the Class Vehicles’ cupholders, it may seep through the cupholders onto components below, which in turn may result in illumination of the Supplemental Restraint System (“SRS”) warning light.
- ❖ The proposed settlement resolves claims by current and former owners and lessees of Class Vehicles against BMW NA, the distributor of these vehicles, and BMW NA’s parent, subsidiaries, affiliates, and related entities, for Out-of-Pocket Costs incurred or that may be incurred in the future due to “**Eligible Repairs**” (i.e. a repair performed by a BMW Center in the United States on a Class Vehicle during the “**Extended Warranty Period**” (defined below) to address or remedy a customer complaint of an SRS warning light illumination and/or damage to other components below the cupholder caused by liquid that spilled or that otherwise seeped through the cupholder(s) on the front center console of a Class Vehicle.)
- ❖ You are covered by the settlement if you own or lease a Class Vehicle, or previously owned or leased a Class Vehicle. The proposed settlement provides for, among other things, a warranty extension (as detailed herein) and reimbursement of certain “**Out-Of-Pocket Costs**” (as defined herein).
- ❖ BMW NA’s records show you own or lease, or have previously owned or leased, a Class Vehicle. As a result, you have legal rights and options under the proposed settlement, and there are deadlines for exercising those rights and options, as set forth in this notice. *Please review this notice carefully and check the settlement website for important deadlines.*

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
PARTICIPATE IN THE SETTLEMENT	If you agree with the proposed settlement, you need not do anything to remain in the class. To receive certain benefits, however, you must file a claim, with the required proof, as detailed herein.
EXCLUDE YOURSELF	You will not be entitled to participate in the settlement and will not receive certain settlement benefits.

OBJECT / COMMENT	Write to the Claims Administrator and explain why you do, or do not, like the settlement. You must remain in the class to comment in support of, or in opposition to, the settlement. If the Court approves the settlement and overrules your objection, you will be bound by the settlement's terms. You may also, but are not required to attend the Final Approval Hearing to object to or comment on the settlement.
-------------------------	--

1. WHAT IS THIS LAWSUIT ABOUT?

Plaintiff Brightk Consulting, Inc. (acting by and through its principal, Lin Fang) filed this lawsuit on December 16, 2021 in the United States District Court for the Central District of California. The name of the lawsuit is *Brightk Consulting, Inc. v. BMW of North America, LLC*, Case No. 21-CV-02063-CJC-JDE (the "Action"). The lawsuit alleges that Class Vehicles are defective because liquid that may be spilled in the cupholder(s) on the front center console of a Class Vehicle may seep through or around the cupholder onto components below, which in turn may cause an illumination of the SRS warning light on the dashboard. The lawsuit does not seek money for any personal injury claims. Instead, Plaintiff claims it lost money when it paid out-of-pocket to repair an SRS warning light illumination when liquid that spilled into the cupholder seeped through the cupholder onto components below.

Plaintiff asserts claims for violations of California consumer protection laws (Cal. Civ. Code section 1750 *et seq.*; Cal. Bus. & Prof. Code sections 17200 *et seq.* and 17500 *et seq.*), for fraud and deceit, for breach of express and implied warranty (Song-Beverly Consumer Warranty Act and California Commercial Code), for strict liability, and for negligence. You can read the First Amended Class Action Complaint for Damages by visiting the settlement website, www._____.com

BMW NA denies that it violated any law, denies liability, denies that it engaged in any wrongdoing with respect to the manufacture, distribution, or sale of the Class Vehicles, and denies the Class Vehicles are defective or any claimed out-of-pocket or other costs claimed to be incurred by owners or lessees of Class Vehicles is caused by a defect in the Class Vehicles or the Class Vehicles' cupholders. The parties agreed to resolve the case before these liability issues were decided by the Court.

2. WHY DID I GET THIS NOTICE?

Records show you may be a member of the class because you presently own or lease, or previously owned or leased, a Class Vehicle. This notice is designed to inform members of the class of the pendency of this litigation and of the proposed settlement, and to describe your rights and options if you are a member of the class.

3. WHO IS A CLASS MEMBER?

The United States District Court for the Central District of California has conditionally certified a "**Settlement Class**" that includes all current and former owners and lessees of a Class Vehicle purchased in the United States, including the District of Columbia and Puerto Rico.

Excluded from the Settlement Class are:

- (1) BMW, its related entities, parent companies, subsidiaries and affiliates, and their respective officers, directors, and employees;
- (2) BMW Group dealers or independent repair shops;
- (3) Insurers of the Class Vehicles;
- (4) All persons and/or entities claiming to be subrogated to the rights of Class Members;
- (5) Issuers or providers of extended vehicle warranties or issuers or providers of extended service contracts;
- (6) Individuals and/or entities who validly and timely opt-out of the Settlement;

- (7) Consumers or businesses that have purchased Class Vehicles previously deemed a total loss (i.e. salvage title; subject to verification through Carfax or other means) or that were purchased with a branded title or where the vehicle was sold “as is” and the purchase price for such vehicle therefore reflects such condition;
- (8) Current and former owners of a Class Vehicle that previously have released their claims against BMW with respect to the issues raised in the Action;
- (9) United States residents that have purchased Class Vehicles in the United States but have since transported the vehicle outside the United States for permanent use abroad;
- (10) Individuals or entities that have purchased and/or leased Class Vehicles as “fleet” vehicles (i.e. rentals or company vehicles);
- (11) The Judge(s) to whom the Action is or will be assigned and any members of the Judge(s)’ family or Judge(s)’ chambers (law clerks, secretaries, deputy clerk, etc.); and
- (12) Class counsel or employees of Class Counsel

5. WHAT BENEFITS DOES THE SETTLEMENT PROVIDE?

Refer to the complete Settlement Agreement and Release for a full description of all settlement terms and conditions. You can review the Settlement and Release in its entirety at the settlement website (www._____.com). The following is a summary of the benefits set forth in the settlement.

- (a) **Reimbursement of Out-of-Pocket Costs Incurred Prior to Mailing Date of Class Notice (Claims Submission):** BMW will reimburse you for valid and eligible “**Out-of-Pocket Costs**” incurred prior to the date of this Class Notice (subject to providing the Required Proof, as explained below).
- An “**Out-Of-Pocket Cost**” is money you paid for an **Eligible Repair** prior to the mailing date for this Class Notice, and that was not otherwise paid for or covered by BMW NA under warranty or goodwill, covered by insurance, or under a third-party reimbursement program or service contract.
 - An “**Eligible Repair**” is a repair performed by a BMW Center in the United States on a Class Vehicle during the **Extended Warranty Period** to address or remedy a customer complaint of an SRS warning light illumination that the BMW Center determines or determined was caused by liquid that spilled or that otherwise seeped through the cupholder(s) on the front center console of a Class Vehicle. An SRS warning light illumination that a BMW Center determines is illuminated for reasons other than liquid seeping through the cupholder is not an **Eligible Repair** covered by this Settlement and will be subject to normal warranty coverage terms and conditions, if any.
 - The “**Extended Warranty Period**” means the period of 7 years/75,000 miles (whichever occurs first), from the date your Class Vehicle was first placed in service, during which an **Eligible Repair** may be performed.

To get reimbursed for an Out-Of-Pocket Cost, you must submit online or transmit via U.S. mail a Claim Form and **Required Proof** (as described below) by the claims deadline. *Please check the Settlement website frequently for any updates to the this claim deadline.* Under the Settlement Agreement, the deadline to submit a claim for an Out-Of-Pocket Cost is one hundred twenty (120) days after the mailing date of this

Class Notice or up until the Court issues its order on final approval of the settlement, whichever is earlier. **Currently, the deadline to submit a claim is _____.**

The **Required Proof** for a valid claim for **Out-of-Pocket Costs** is:

- (1) a legible repair order from a BMW Center that identifies a Class Vehicle and VIN; and
 - (2) proof of payment, in the form of a canceled check, credit-card receipt, credit-card statement, or receipt demonstrating that you paid for the amount(s) sought for reimbursement (a repair order that itself denotes a payment by check or credit card that is issued from a BMW Center is sufficient proof of payment); and
 - (3) the mileage of your vehicle at the time of **Eligible Repair**; and
 - (4) the date of the **Eligible Repair**, and
 - (5) a description of the **Eligible Repair** performed with indications as to the parts and labor for the repair.
- (b) **Warranty Coverage for Eligible Repairs After this Class Notice:** If your Class Vehicle requires an **Eligible Repair** after the mailing date of this Class Notice, you must take it to a BMW Center during the **Extended Warranty Period**. No reimbursement is available for **Out-of-Pocket Costs** you incur for **Eligible Repairs** after the mailing date of this Class Notice. If the dealer determines the SRS illumination is an **Eligible Repair**, the concern will be addressed free of charge under warranty.

This warranty coverage for Eligible Repairs will be honored prior to the Court's approval of this settlement. If your Class Vehicles receives an Eligible Repair under warranty after this Class Notice but before Final Approval of the settlement, you will be bound by the release in this Settlement even if you "opt out" of the Settlement.

6. WHO PAYS CLASS COUNSEL'S FEES AND EXPENSES?

To date, Class Counsel has not been paid for time spent prosecuting the case and has not been reimbursed for any out-of-pocket costs. If the Court approves the proposed settlement, Class Counsel will apply to the Court for an award of attorneys' fees and reimbursement for costs not to exceed \$375,000. Class Counsel also will apply to the Court for a service award of \$3,000 for the Settlement Class Representative (Brightk Consulting, Inc.) for its initiative and effort in pursuing this litigation for the benefit of the class. Any award of attorneys' fees and expenses and any service award will be paid by BMW NA separately and will not reduce the benefits available to you under the settlement. You are not personally liable for these attorneys' fees and costs or the service award.

7. WHAT HAPPENS IF THE COURT APPROVES THE SETTLEMENT?

If you fall within the class definition and elect to remain in the class, and the settlement is approved, the Court will enter a judgment dismissing the lawsuit with prejudice, and releasing any and all claims that you may have against BMW NA and its direct and indirect parents, subsidiaries, affiliates, successors in interest, officers, directors, agents, authorized BMW dealers, attorneys, and all other persons or entities acting on their behalf; suppliers, licensors, licensees, distributors, assemblers, partners, component part designers, manufacturers, holding companies, joint ventures, and any individuals or entities involved in the chain of design, development, testing, manufacture, sale, assembly, distribution, marketing, advertising, financing, warranting, repair, and maintenance of the Settlement Class Vehicles and their component parts (together "Released Parties") from any and all claims or causes of action, including unknown claims, under the laws of any jurisdiction, including federal law, state law, and common law, whether at law or equity that relate to or arise out of complaints or concerns that led to or may lead to an Eligible Repair, excluding claims for property damage or personal injury ("Released Claims").

8. WHAT ARE MY OPTIONS NOW THAT I'VE RECEIVED THIS NOTICE?

If you are a member of the class, you have the following options:

- (a) **PARTICIPATE IN THE SETTLEMENT:** If you agree with the proposed settlement, you need not do anything to remain in the class. If you have **Out-of-Pocket Costs** that are eligible for reimbursement, you are required to submit a **timely** Claim for reimbursement along with **Required Proof**, or comply with other deadlines as set forth herein and in the Settlement Agreement and Release. For information on the status of settlement approval and other settlement related information, please visit the settlement website at www._____.com.
- (b) **REQUEST TO BE EXCLUDED:** If you do not want to stay in the class, then you must send a written notice of your request to exclude yourself from the class, **postmarked no later than [45 DAYS AFTER CLASS NOTICE]** to the Claims Administrator at the following address:

Claims Settlement Administrator
[ADDRESS]
[ADDRESS]

Your request must be signed by you, include your full name and current address, identify your vehicle's model, model year, and vehicle identification number (VIN), and specifically state that you request to be excluded from the Settlement Class in *BrightK Consulting, Inc. v. BMW of North America, LLC*.

If you validly and timely request exclusion from the Settlement Class, (1) you will be excluded from the class; (2) you will not be entitled to the settlement benefits; (3) you will not be bound by the terms of the Settlement Agreement, the judgment dismissing the Action, or the release of claims provided by the Settlement Agreement; and (4) you will not be entitled to object to the proposed settlement or be heard at the fairness hearing described below.

If you do not exclude yourself, you will be bound by any judgment entered in the case, whether favorable or unfavorable, and will be bound by the release in the Settlement Agreement.

Please note, however, that if you obtain an Eligible Repair after this Class Notice but before the Settlement Agreement receives final approval from the Court, you are precluded from opting out of the settlement even if an otherwise valid and timely opt-out notice is sent to the Claims Administrator.

- (c) **OBJECT TO THE SETTLEMENT:** If you are a Settlement Class Member and you do not request to be excluded, you may object to the terms of the Settlement, Class Counsel's request for attorneys' fees and costs, or the incentive award requested for the Settlement Class Representative. You can ask the Court to deny approval by filing an objection. You cannot ask the Court to order a larger settlement; the Court can only approve or deny the settlement. If the Court does not approve the settlement, no settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object. You may, *but need not*, enter an appearance through counsel of your choice, but you will be responsible for paying your own attorney.

If you object to the settlement, your objection must be mailed (**post-marked**) **on or before [45 days after class notice]**.

The objection must be mailed to the Claims Administrator at this address:

Claims Settlement Administrator
[ADDRESS]
[ADDRESS]

The written objection must include (i) a reference to *Brightk Consulting, Inc. v. BMW of North America, LLC*, Case No. No. 21-CV-02063-CJC-JDE; (ii) your full name, current address, and current telephone number; (iii) the year, model, and vehicle identification number (VIN) of the Class Vehicle that you own or lease or previously owned or leased; (iv) a statement of the position(s) the you wish to assert, including the factual and legal grounds for the position; (v) a statement as to whether you intend to appear to be heard at the Final Approval Hearing, (vi) any other documents that you wish to submit in support of his/her position, and and (vii) your signature or if you are represented by counsel, your counsel's signature. You may but are not required to personally appear at the final approval hearing for your objection to be considered by the Court.

Please note that by objecting, you will remain a member of the class and will have released your claims as set forth herein.

9. WHEN IS THE FINAL APPROVAL HEARING?

On [**date, time**] the United States District Court for the Central District of California, the Honorable Cormac J. Carney, U.S. District Court Judge, will hold a fairness hearing for the purpose of deciding (a) whether the settlement should be approved as fair, reasonable, and adequate for the class; (b) whether a judgment granting approval of the settlement and dismissing the lawsuit with prejudice should be entered; and (c) whether Class Counsel's application for attorneys' fees and expenses and incentive award for the Settlement Class Representative should be granted. The hearing may be postponed, adjourned, or rescheduled by the Court without further notice to the class. You do not need to attend this hearing to remain a member of the class or participate in the settlement.

10. WHERE CAN I REVIEW SETTLEMENT DOCUMENTS AND OTHER INFORMATION ON THE SETTLEMENT?

This notice summarizes the proposed settlement. For full details of the matters discussed in this notice, you may wish to review the Settlement Agreement and Release dated August __, 2022 a copy of the operative complaint, and other settlement related documents, on file with the Court, and also available at the dedicated website of www._____.com, or by contacting class counsel, Hovanes Margarian (hovanes@margarianlaw.com; 818.553.1000), the Margarian Law Firm, 462 W Colorado St, Glendale, CA 91204.

DECLARATION OF JED D. MELNICK

I, Jed D. Melnick, hereby declare as follows:

1. I am a JAMS Mediator and Special Master. I have personal knowledge of the facts stated in this declaration and if called upon as a witness, I could and would competently testify thereto. While the mediation process is subject to mediation privilege, I am submitting this declaration with the permission of the parties to the mediation for the limited purpose of addressing the matters herein.

2. I serve as a mediator in complex business litigation matters pending throughout the United States and internationally. My representative matters include but are not limited to consumer class actions, coverage litigation, securities class actions, anti-trust class actions and contract disputes. My full biography can be found here: <https://www.jamsadr.com/melnick/>

3. I became a full-time mediator in 2005, and I have resolved over one thousand (1,000) disputes, with an aggregate value in the billions of U.S. dollars.

4. I served as mediator for the parties in the above-referenced litigation and in the process, learned and understood the claims and defenses of the parties on issues framed by the case. Plaintiff BRIGHTK CONSULTING INC., as a California Corporation, filed this suit, on behalf of itself, all others similarly situated, and the general public (“Plaintiff”) against BMW of North America LLC (“BMW”). Both parties submitted fulsome briefing with exhibits subject to mediation privilege. I reviewed those submissions in preparation for the mediation.

5. On May 9, 2022, I mediated this case during a full-day in-person mediation session in Westchester, New York. The Parties negotiated extensively and at arm’s length during the mediation session and conducted settlement discussions for nearly seven (7) hours.

6. Although the Parties did not reach a resolution on May 9, 2022, they made significant progress on a potential class resolution.

1 7. Through my mediation efforts the Parties continued their settlement dialogue
2 zealously following the first mediation. The parties then schedule a second mediation
3 session for July 2022.

4 8. On July 12, 2022, during a second half-day remote mediation session, the Parties
5 agreed to the terms of a proposed class action settlement (“The Proposed Settlement”)
6 providing benefits to current and former owners and lessees of 2019-2022 BMW X5 (G05;
7 start of production (“SOP”) 11/2018), 2020-2022 X6 (G06; SOP 11/2019), 2019-2022 X7
8 (G07; SOP 3/2018), 2020-2022 X5M (F95; SOP 4/2020), 2020-2022 X6M (F96; SOP
9 4/2020) vehicles (individually referred to as “Class Vehicle,” collectively referred to as
10 “Class Vehicles”).

11 9. The Parties reached agreement on the Proposed Settlement through vigorous and
12 arm’s length negotiations during the second mediation session on July 12, 2022.

13 10. The Parties did not negotiate the Plaintiff’s attorneys’ fees, expense
14 reimbursement, or service awards for Plaintiff during the aforementioned mediation
15 sessions until after all settlement terms for the Class had been agreed upon.

16 11. I declare under penalty of perjury under the laws of the State of New York
17 and the United States of America that the foregoing is true and correct.

DECLARATION OF FANG LIN

I, Fang Lin, declare as follows:

1. I am an individual over the age of 18 residing in the County of Orange, State of California.

2. I act on behalf of Plaintiff BRIGHTK CONSULTING INC., as a California Corporation (“Plaintiff”), which is the Class Representative in this action. I have personal knowledge of the facts stated in this declaration and if called upon as a witness, I could and would competently testify thereto.

3. This declaration is submitted in support of Plaintiff’s Motion for Preliminary Approval of Class Settlement and Direction of Notice Under Fed. R. Civ. P. 23(E).

4. My company, Plaintiff is the purchaser of a BMW X7, which is the Class Vehicle for this action due to having experienced the alleged defect which is the subject of this lawsuit and BMW NA having refused to cover the repair costs.

5. Ultimately, I, on behalf of Plaintiff, decided to file a class action lawsuit against BMW NA.

6. I, on behalf of Plaintiff, have assisted my attorney Hovanes Margarian, who is the Class Counsel in this action, in the prosecution of the class action. I consulted with the Class Counsel, providing my experience with the vehicle, the repair process, and relevant documents.

7. I, on behalf of Plaintiff, assisted the Class Counsel with fact development and discovery and regularly communicated with the Class Counsel to remain up to date on the litigation, the settlement process, the mediation, and the status of the BMW X7 Class Vehicle condition and repair.

8. I also reviewed the settlement terms discussed during the mediation sessions and during the negotiations, individually conferring with Class Counsel, before agreeing to the terms on behalf of Plaintiff and the Class.

9. Class Counsel and I worked diligently to deliver the Proposed Settlement.

1 10. Given the fact that the primary objective as a Class Vehicle owner was to have
2 the vehicle's front console cupholder issue repaired and to provide a similar remedy for
3 other Class Vehicle owners in the same situation, I find that the terms stipulated in the
4 Settlement Agreement and Release are fair and adequate.

5 11. On behalf of Plaintiff, I humbly request the Court to approve the terms of the
6 Settlement Agreement and Release.

7 I declare under penalty of perjury under the laws of the State of California and
8 the United States of America that the foregoing is true and correct.
